

Welcome to the
New York State Electronic Security Association

Representing the interests of the New York Electronic Life & Security Industry. The New York State Electronic Security Association is the trade association for the New York Alarm Industry. The NYSESA represents Security Alarm Companies, Manufacturers, and Distributors that do business in the State of New York.

If you are a consumer, this site will help you find trained alarm dealers in your area who meet the high standards of the New York State Electronic Security Association (NYSESA). You can also obtain important information to help make the right decision in the purchasing of a new burglar or fire alarm system.
